### Dear Coach or Administrator,

Would your team like to play a game at Guaranteed Rate Field where the Chicago White Sox play!? Big League Dream Day is an opportunity for high school based teams as well as U13 through U18 travel teams to play a game at a Major League venue. Big League Dream Day began in 2012 at Miller Park in Milwaukee and seeks to collaborate with other Major League teams across the country. Yes, your players will get to play on the BIG field and it is sure to be a memorable experience for all involved! All participants make a commitment to their respective Big League team by purchasing game tickets or vouchers at the Big League Dream Day website [bigleaguedreamday.com](http://bigleaguedreamday.com) to Major League games. Each player will need to sell about 30 tickets or vouchers to be handsomely rewarded with a once in a lifetime experience. Please won't you join us in 2019 for the inaugural Big League Dream Day event at Guaranteed Rate Field or in future years?

### Here's what participants are saying:

---

*"My son's team the Plainfield Raiders (Chicago) baseball team played at Miller Park in Milwaukee in the summer of 2016, hosted by Big League Dream Day. My son's teammates, the parents and all the friends and family that attended the event still talk about the great time that they had.*

*They got to pitch in the bullpen and take BP where the Major Leaguers hit. They got to select their own walk up music and hear their name announced over the big league public address system. They got to hang out in the big league dugout. Then they played a game on the same field where all their heroes and legends had played before them.*

*The Milwaukee Brewers were great hosts. Miller Park will always have a special place in our hearts because of Big League Dream Day. My son now plays for the Illinois Hawks Travel Baseball team and would like to play at Guaranteed Rate Field in 2019 and for many years to come"*

*"The Chicago Knights baseball team had a blast this past season at the Big League Dream Day event at Miller Park in Milwaukee!*

*The coaches, players and family's experiences were something that all of the participants will remember for a lifetime. Our team is very interested making a commitment to the White Sox for any youth games at Guaranteed Rate Field".*

Mike Eul, Coach Chicago Knights

*"The baseball game for the Hitters U14 Baseball Team was an unforgettable moment in time for the boys and maybe even more for the families. Our team made it an event with a tailgate party prior to and after our game of course. The opportunity to be on the field and play in a stadium as awesome as Miller Park was beyond what words might describe." John Mahar, Hitters Baseball*
